The Foundations of Positive Imaging

Who Was Norman Vincent Peale?

Norman Vincent Peale (1898-1993) was an American minister and author whose work has had a profound impact on self-help and motivational psychology. His most famous book, *The Power of Positive Thinking*, published in 1952, remains a cornerstone in the genre of self-improvement literature. Peale advocated for the importance of maintaining a positive mental attitude and believed that faith and visualization could overcome obstacles and foster success.

The Concept of Positive Imaging

Positive imaging is a specific technique within the broader framework of positive thinking.
