Jainism is one of the oldest Indian religions, dating back over 2,500 years. It was founded by Lord Mahavira, although its roots trace even further into ancient Indian spiritual traditions. Jainism emphasizes the path to liberation (moksha) through strict adherence to ethical principles and self-discipline.

The core principles of Jainism are encapsulated in the Five Great Vows (Mahavratas):

- Ahimsa (Non-violence): A commitment to causing no harm to living beings in thought, word, or deed.
- Satya (Truth): Always speaking and living in truth.
- Asteya (Non-stealing): Not taking anything that is not willingly given.
- Aparigraha (Non-possessiveness): Detachment from material possessions and greed.

These principles are not merely spiritual ideals but practical guidelines that influence daily behavior and social interactions, including economic activities.

Ethical Living and the Jain Worldview

Jain ethics revolve around the concept of Ahimsa, which permeates all aspects of life. Jains believe that every living entity, from microscopic organisms to humans, possesses a soul, and thus, respect for all life forms is paramount. This worldview fosters a deep sense of responsibility towards the environment and society, emphasizing sustainability, compassion, and non-violence.

Key considerations:

- Respecting cultural differences while upholding universal human rights.
- Avoiding ethnocentric biases that may justify unethical practices.
